Bluebell Lodge Nursery

What specialist facilities or specialist staff do you provide to support children with SEND?

As a setting we have supported a number of children with a range of special educational needs.

Description of provision

The nursery is privately owned and offers care for children aged 0 – 5 years. The nursery is set in a large bungalow with a separate pre-school unit close to Blackpool Airport. The nursery is open from 08:00 until 18:00 Monday – Friday. The nursery is closed on Bank Holidays and for a week over the Christmas period.

Care is provided in four separate units. A baby room for the under 15 months, that has a joining nappy change, cot room and milk kitchen. Toddler unit for children aged from 15 month until 30 months. A Lower Pre-school unit and a pre-school unit for the year before children start at school. There is a room leader in every unit to support the practitioners working within the units. There are also 2 enclosed outdoor play areas. The pre-school unit rooms also have covered free flow areas for the children to play outside.

The nursery manager is qualified BA Hons in Primary Education and Mathematics with QTS
